

Real Estate Donation Collection Plan

We want you to decide the best way to coordinate your Good Stuff Thrift neighborhood donation day. Below are suggestions that have proven effective in other collections:

Announcement

Real Estate Agent should have a house for sale in the neighborhood where they will advertise for the GST donation collection.

A flyer announcing the collection should be distributed to the neighborhood, the agent's client list and friends 3 to 4 weeks before the donation collection day.

Flyer forms are available to be downloaded from the website, goodstuffthrift.org.

The following information should be included in your neighborhood flyer:

- Drop off dates and times
- Drop off location
- Real Estate Agent's name and phone number

The Real Estate Agent flyer can either be printed on one side of an 8-1/2 X 11-inch paper and folder over or it can be printed on the front and back of 5-1/2 X 8-1/2 inch paper.

Collection

There are several ways to arrange collection of the donations.

- Plan only one day for collections and have donations brought to the neighborhood home on the day of the drive, which would be the same day that GST is scheduled to pick up.
- You may want to allow donations to be brought to the neighborhood home for several days until the scheduled day of pick-up by GST (this may not be preferable, as it may impact the seller's ability to keep their home looking tidy).

The Real Estate Agent should call GST to schedule a truck pick-up in their neighborhood prior to confirming the planned collection date.
